Unacceptable waste items

(Items that cannot be collected)

- Contact the vendor for information on how to dispose of the following items: Tires, batteries, farm equipment, fertilizer bags, fishing equipment, fishing nets, explosives, waste oil, paint and paint-related products, toxic items, gas cylinders, and fire extinguishers.
- The items covered by the Home Appliance Recycling Act (i.e., television sets including the plasma type and the liquid crystal type, washing machines, tumble dryers, refrigerators, freezers, and air conditioners) cannot be disposed of as bulk waste even if dismantled. Contact the vendor for information on how to dispose of them.
- Recyclables should be put out for collection on the recyclables collection day or taken to the **Recycle Center**.
- Drop off dry batteries in the collection boxes placed in schools, public facilities, civic halls, and some retail stores.

If you have any questions about how to separate and dispose of household waste and recyclables, please refer to the **Waste Separation Guidebook** distributed to households.
